REPORT OF THE DIVISION OF STATE COURT ADMINISTRATION

Introduction. This 1993 Indiana Judicial Report is published by the Indiana Division of State Court Administration, an office of the Indiana Supreme Court, pursuant to Indiana Code 33-2.1-7-3(A)(3). This report reflects an annual compilation of statistical data on the workload and related judicial functions of the Indiana judicial system. The period of time covered by this report is the calendar year 1993.

The information is arranged in three volumes. Volume I is a summary report on statewide caseload, expenditure and revenue totals and also contains the annual caseload reports of the Indiana Supreme Court, the Indiana Court of Appeals and the Indiana Tax Court.

Volume II contains data on the filings, dispositions and fiscal data on expenditures and revenues for each court in the state. Volume III contains information which further defines the caseload statistics and reflects the method of case dispositions in each court in the state.

The information published in this report was compiled from summary caseload data submitted quarterly and summary fiscal data submitted annually by the trial courts. The caseload reports of the Supreme Court, the Court of Appeals and the Tax Court were provided by the respective administrative offices of those courts. The state level fiscal data was derived from the annual report of the Auditor of the State.

This report is not intended to be an exact accounting of funds or a complete detailing of every judicial decision. It is based on summary data and is intended to present an overview of the workload and functioning of the Indiana judiciary. As such, it is intended to be used by trial judges in evaluating their performance and monitoring the caseloads in their respective courts, by trial judges and county councils in the budgeting process, by the General Assembly and its committees in their legislative enactments, by the Division of State Court Administration in its oversight of judicial administrative activities, and by the Indiana Supreme Court in meeting its supervisory responsibilities. Additionally, the information presented in this report is intended to provide a continuous factual basis for long-term judicial planning in the State of Indiana.

Mission of the Division of State Court Administration. The Division was established by statute as an office of the Indiana Supreme Court under the direct authority of the Chief Justice. The office began operation in 1976, and the first comprehensive annual judicial report was published in 1977.

The mission of the Division of State Court Administration is to provide, within guidelines established by the Supreme Court of Indiana, leadership, assistance and direction in the systemic management of the Indiana judiciary. Generally, the Division provides assistance to the Indiana Supreme Court in carrying out the Court's administrative and supervisory duties in regard to Indiana's judicial system.

Statistics and Trial Court Services. The Division's duties and responsibilities are established by statute, by Supreme Court rules, and by direction of the Chief Justice of Indiana and the Supreme Court. Statutory provisions direct that the Division must collect and compile statistical data on the judicial workload and the receipt and expenditure of public moneys by and for the operation of the courts. This includes data on the total number and type of cases filed, cases disposed and their method of disposition. The financial information includes all expenditures and all revenues generated through the operation of the courts.

Based on the work volume reported in the statistical reports, the Division may recommend to the Indiana Supreme Court the transfer of judges from one court to another in order to facilitate the orderly administration of justice. For this purpose, the state of Indiana is divided into fourteen administrative districts.

The Division also gathers similar statistical data from all probation departments in the state and publishes an annual *Indiana Probation Report* reflecting probation caseloads and expenditures.

Summary of 1993 Data - Caseloads. The 1993 cumulative caseload data indicates that, once again, the total number of cases filed in Indiana's courts has continued its steady pace upwards. The total number of cases filed in Indiana during 1993 increased to 1,390,478, an increase of 4.46% from the previous calendar year. There were significant increases in the number of ordinance violations, small claims, and proceedings for protective orders. The civil plenary caseload reflected a decrease in filings while the civil tort category indicated an increase in the number of cases filed. Criminal filings were predominantly constant, with a minor increase in the number of misdemeanors being filed and an insignificant decrease in the number of felonies. Domestic relations and juvenile matters also remained constant.

Although the number of disposed cases increased in many important case type categories, such as felony disposition, juvenile cases, civil torts, small claims and protective order proceedings, the total number of all cases disposed by the courts was lower than during 1992.

The most significant reduction in disposed cases is in the area of misdemeanors and infractions. These are two areas where deferral and diversion programs instituted and managed by the Office of the Prosecuting Attorney allow cases to remain pending for prolonged periods of time while defendants comply with program requirements.

Data on the method of case disposition indicates that, as in the past, the most common method of case disposition is the guilty plea in criminal matters and the admission in infraction and ordinance violation cases. The next most common method, particularly in the courts of record, is dismissal. The third most common method is an admission through a traffic violations bureau where a defendant mails in their civil infraction judgments and costs. Bench trials represent the fourth most common method of disposition with default judgments following in fifth place.

Summary of 1993 Statistics - Fiscal. Commensurate with the increased caseload, the financial data indicates an increase of expenditures on the judicial system and an increase in the revenue generated through the operation of the courts. In 1993, the counties expended $103,263,806 on the county level courts. City, towns and townships spent another $6,589,219 on their local courts. The most significant identifiable expenditure for the counties was approximately $25,994,638 on probation services. The next most significant expenditure was indigent defense services totalling approximately $14,714,629.

During the reporting period some $91,834,474 was generated through the operation of the courts. Of that amount, $29,773,308 was generated for county level general funds and court related services funds, and $7,451,670 was generated for local general and court related services funds. These funds provide the revenues used for the operation of the courts and court programs. Of the funds generated through the operation of the courts, $22,076,144 was directed to special funds such as police training, prosecutorial diversion and deferral programs, and a number of fees for the State User Fee Fund.

Summary of 1993 Statistics-Alternative Dispute Resolution. Nineteen ninety three also saw a significant increase in the number of cases referred to alternative dispute resolution. The Indiana Supreme Court adopted, effective January 1992, a comprehensive set of rules dealing with alternative dispute resolution processes. During the first year of operation of ADR, 647 cases were referred to alternative dispute resolution. That number grew more than 450% in 1993 to 3,556 cases being referred to ADR.

Pilot Juvenile Data Project. As part of the data gathering function, the Division developed and now supervises a pilot juvenile data project for the automated case tracking of juvenile cases. The project is funded by federal juvenile justice funds. It was designed to develop reliable information on demographic, charging, disposition and placement data on juvenile offenders.

Because of the diverse range of automation existing in Indiana's probation departments, this project was designed to collect data through a two pronged approach. The first step was the design of a simple data input program which captures key elements of the juvenile process from the juvenile's first contact with the probation office or court until disposition, placement and subsequent modification. The program also calls for input of previous history. This software program, together with a PC and a modem, was made available to participating probation departments. The data is downloaded electronically in a central data bank.

Many participating courts already had some sort of automated system in their probation departments. This necessitated a flexible approach whereby specific arrangements were made with the software vendors for modifications in their programs in order to provide to us the data necessary for the project without double entry. Several counties are participating under such arrangement. Presently there are a total of fourteen participating counties providing data on approximately 48% of the juvenile population in the juvenile justice system. The counties are Marion, Allen, Lake, Elkhart, Howard, Vigo, Johnson, LaPorte, including Michigan City, Henry, Wayne, Fulton and Monroe.

Records Management. Statutory provisions direct the Division to "examine the administrative and business methods and systems employed in clerks and related offices serving the courts and to make recommendations for improvements."

The implementation of this duty resulted in the formation of a Supreme Court Records Management Committee. The long range product of the Records Management Committee has been the development of a package of Administrative Rules promulgated by the Indiana Supreme Court and a revision of the Indiana Rules of Trial Procedure, namely Trial Rules 58 and 77, establishing court record management procedures. As a result, Indiana has implemented a uniform case numbering system, with uniform county and court identifiers, standards for microfilming court records and for optical disk imaging, comprehensive retention schedule of every record maintained by Indiana's courts, standards for maintaining confidential records, standards for record security, and a rule allowing facsimile transmissions to and from the courts.

As part of the records management support services, Division staff visited the clerks and courts in 44 counties during 61 travel days in 1993. Through these visits, Division staff provided assistance on microfilming, examined deteriorated records, organized the destruction of obsolete records in numerous counties, provided assistance in space planning and movement of court records necessitated by courthouse remodeling, and reviewed automated case management systems being considered by the trial courts.

Other projects designed to assist trial courts, clerks and their staff in case management and administrative functions included the development of an *Administrative Manual*. The manual, which is continuously updated, provides detailed instructions on recordkeeping practices, including the creation and maintenance of Chronological Case Summaries, the Record of Judgments and Orders, and Indices.

As part of the implementation of the new recordkeeping rules, the Division also held regional workshops for judges and court employees. In 1993, the Division held the first seminar designed to educate and assist clerks and court staff members who are directly involved in record preparation, maintenance and preparation of statistical reports. Seventy-two of Indiana's ninety-two counties were represented by some 300 participants.

The Division also publishes a quarterly newsletter, *The Indiana Court Times*, which serves as a communication link between the Supreme Court, state offices, trial courts, the clerks, and their staff.

Technology. Pursuant to Trial Rule 77(J) of the Indiana Rules of Court, the Division must review and approve the recordkeeping formats and systems employed by all trial courts in creating and maintaining the Chronological Case Summary, the Case Files, and the Record of Judgments and Orders. This involves the review and oversight of all trial court information management systems, manual or computerized.

By direction of the Indiana Supreme Court, the Division has responsibility for the application of computer technology at the appellate level including the computerization, microfilming and development of automated systems in the Office of the Clerk of the Supreme Court, Court of Appeals, Tax Court, and related Supreme Court agencies. Presently, over 200 users in the appellate level courts and related Supreme Court agencies are served by the Division technical staff.

Payroll and Fiscal Functions. Indiana trial courts, prosecuting offices and offices of the elected clerks of court are funded through local funds. Local funding covers all expenses except for portions of the salaries paid to judges, magistrates, and prosecutors, state matching funds provided for certain indigent defense expenses, and guardian ad litem appointments in juvenile abuse and neglect cases. The state's financial contributions in these areas are administered by the Division.

The Division maintains approximately 575 payroll records for all trial court judges, commissioners, senior judges, prosecuting attorneys and their deputies. These payroll records include employee benefit and withholding records. The payroll accounts for fiscal year 1993/1994 included approximately $16,800,000 for state judicial and magistrate salary contributions, approximately $9,520,000 in state contributions toward salaries of prosecuting attorneys and their deputies, approximately $715,000 of special judge fees and reimbursements, and $9,675 for senior judge services.

Additionally, approximately $335,000 was provided to the trial courts for guardian ad litem services, and $265,000 was provided as reimbursement for indigent defense costs in death penalty cases.

Judicial Qualifications and Nominating Functions. Statutory provisions direct that the Division provide staff services to the Indiana Commission on Judicial Qualifications and the Indiana Judicial Nominating Commission. This includes legal counsel services as well as general administrative support. The Indiana Constitution establishes the two separate functions, although the membership of these two Commissions is the same, and they are chaired by the Chief Justice.

In its qualifications function, the Commission acts as an investigative and prosecutorial arm in the judicial discipline process. In its nominating function, the Commission evaluates judicial candidates for appointment to the Indiana Supreme Court, Indiana Court of Appeals, and the Indiana Tax Court, and recommends to the Governor the three most highly qualified persons. The Commission publishes a biennial report.

During 1993, four appellate level vacancies were filled as a result of the judicial nominating process. Justice Frank Sullivan, Jr., was sworn in as a justice on the Indiana Supreme Court and Judges Edward W. Najam, Jr., Ezra H. Friedlander, and Patricia W. Riley were sworn in as members of the Indiana Court of Appeals.

Attorney Discipline and Special Judge Matters. The Division serves as counsel to the Indiana Supreme Court in matters involving the discipline of attorneys, appointment of hearing officers, appointments of special judges, and appointment of senior judges. This involves the screening of all matters involving attorney discipline coming before the Court, including, at the direction of the Court, preparation of orders, memoranda, drafting of per curiam opinions, maintenance of automated internal docket in such cases, and the preparation of all necessary memoranda and orders in special judge and senior judge appointments.

During 1993, over 950 special judge requests were reviewed and processed by the Division. Seventy-four disciplinary cases were concluded during the same period.

Guardian Ad Litem Services. The Legislature has charged the Division with the administration of an Office of Guardian Ad Litem and/or Court Appointed Special Advocate (GAL/CASA). Statutory provisions mandate the appointment of a guardian ad litem or a special advocate in every juvenile case involving neglect and abuse.This program provides limited state matching funds to counties for expenses associated with such judicial functions.

In addition to administering the distribution of these state matching funds, the office of GAL/CASA is engaged in the active recruitment and training of volunteers for the local programs. Eighty-six percent of the counties receiving grants utilize trained volunteers in court proceedings. More than 1,200 volunteers throughout the state aid the courts by providing services at low or no cost to Indiana's 14,000 plus adjudicated Children In Need of Services.

In 1994, the Supreme Court, upon the recommendation of the GAL/CASA Advisory Committee, approved minimum standards for GAL/CASA programs. These standards, which provide guidelines and strengthen existing volunteer training and practices, will be implemented in 1995.

Public Defender Commission Staff. Statutory provisions also direct that the Division serve as the staff of the Indiana Public Defender Commission. This is a legislatively created body whose primary functions are developing standards and qualifications for public defenders and providing partial reimbursement for eligible indigent defense expenses.

Protective Orders. Another legislatively directed duty involves the development and approval of all forms used in protective order proceedings in Indiana trial courts. Division staff provides training and guidance for court and clerk staff in proceedings involving protective orders.

Employment of Private Counsel for Judges and Prosecuting Attorneys. When a judge or prosecuting attorney is sued for civil damages or equitable relief for an act performed within the scope of his or her duties, the Attorney General of Indiana may either defend the judge or prosecuting attorney or may authorize the Executive Director of the Division to hire private counsel for such person.

Rules of Court. At the direction of the Indiana Supreme Court, the Division provides staff support to the Indiana Supreme Court Committee on Rules of Practice and Procedure, with the Executive Director of the Division serving as Executive Secretary of the Committee. The Committee on Rules of Practice and Procedure is established by the Indiana Supreme Court pursuant to Trial Rule 80. The Committee conducts a continuous study of the Indiana Rules of Procedure. Except in case of emergency or as otherwise directed by the Supreme Court, the Committee is required to publish or otherwise make available for comment, a preliminary draft of proposed rule amendments by May 1 of each year.

The Committee must accept comments for 30 days thereafter and must review all comments. Once each year, on or before September 1, the Committee submits to the Supreme Court for adoption the final draft of each proposed amendment. On or before November 1, the Supreme Court acts on the amendments, and any new amendments become effective January 1 of the following year.

Amendments to the Rules of Trial Procedure, Appellate Rules, Criminal Rules, and Small Claims Rules are usually presented to, reviewed and proposed by the Rules Committee. However, proposals for rule amendments may have a number of different origins, including the Court itself as in the case of the Rules of Evidence.

1993 Rule Amendments. During 1993, the Indiana Supreme Court adopted a uniform set of *Indiana Rules of Evidence* to take effect on January 1, 1994. Those rules were the product of a special Committee on the Rules of Evidence appointed by the Indiana Supreme Court. Other extensive rule amendments promulgated by the Supreme Court in 1993 included a revision of the *Indiana Code of Judicial Conduct* and a revision of the *Indiana Child Support Guidelines.* Additionally, significant changes were adopted in the *Rules of Procedure for Post Conviction Remedies,* allowing appellate courts to decline the filing of successive petitions where the pleadings conclusively show the petitioner is not entitled to relief, and amendments to the *Rules of Procedure for Original Action.*

INDIANA'S JUDICIAL SYSTEM

The Constitution of Indiana sets out the three branches of state government, the Legislative, the Executive, and the Judicial. The Constitution also provides that the judicial power of the State of Indiana is vested in a Supreme Court, a Court of Appeals, Circuit Courts and such other courts as the General Assembly may establish.[1] The Supreme Court and the Court of Appeals are the appellate level courts, while the Circuit Courts are the courts of general jurisdiction.

Traditionally, Indiana's trial court system has been organized on a county basis through enabling legislation establishing courts in specific counties. As provided in the Constitution, the state has been divided into circuits which are based on county lines. Some of the less populous counties have been joined together into one circuit, although today there remain only two such circuits comprised of two counties.

As local needs grew and more trial courts became necessary, the Legislature created additional courts of general and limited jurisdiction, but such courts continued to be structured on a county basis with the county bearing all expenses for court operations, save a portion of the judges' salaries. The superior and county courts are such legislatively created courts. The Tax Court is another legislatively created appellate level court. For the most part, superior courts have general jurisdiction just as the circuit court while the county courts have more limited jurisdiction.

Due to this autonomous nature of the trial courts, historically there has been little uniformity in many of the administrative operations within the judicial system. Employment of court personnel, funding, use of technology and many aspects of court operations are handled at the local level. As a result, court structure and court related services have varied widely from county to county. Recently, however, more unified administrative and recordkeeping procedures have been implemented. As a result, Indiana now has a uniform case numbering system for every case filed in the state, a uniform schedule of retention for court records, uniform microfilming standards and a uniform recordkeeping process mandated for every trial court in the state.

All counties have a circuit court. In addition, some counties may have superior courts, county courts or both. Marion County (which has no county courts) is the only county with municipal courts and distinct small claims courts. St. Joseph County is the only county with a specialized probate court which also has juvenile jurisdiction.

Legislation also exists enabling cities and towns to establish city and town courts. In the majority of instances, city and town courts process traffic matters. With few exceptions, the city and town court judges are not required to be attorneys.

Following is a description of the types of courts presently existing in Indiana. For specific listing of courts in each county, see Appendix A, "1993 Trial Judges" and Appendix B, "1993 Minor Courts".

SUPREME COURT

The Indiana Supreme Court has five justices, one of whom is the Chief Justice of the state (selected by the Indiana Judicial Nominating Commission).[2]

The Supreme Court has original exclusive jurisdiction in (1) admission to the practice of law; (2) discipline and disbarment of those admitted; (3) unauthorized practice of law; (4) discipline, removal and retirement of judges; (5) exercise of jurisdiction by other courts; (6) issuance of writs necessary in aid of its jurisdiction; (7) appeals from judgments imposing a sentence of death, life imprisonment or imprisonment for a minimum term greater than 50 years for a single offense; (8) appeals from the denial of post-conviction relief in which the sentence was death; (9) appealable cases where a state or federal statute has been declared unconstitutional; and, (10) on petition, cases involving substantial questions of law, great public importance, or emergencies.[3]

The justices of the Supreme Court are appointed by the Governor after nomination by a judicial nominating commission. After an initial two-year term, they run on a "Yes—No" retention ballot, and, if successful, they then serve ten-year terms.[4]

COURT OF APPEALS

The Court of Appeals became a constitutional court under a 1970 revision of the Constitution. The Judicial Article provides that the state be divided into geographic districts by the General Assembly, and that each district have three judges.[5] The Court of Appeals has five districts, with a total of fifteen judges.[6] The judges select one of their number as chief judge, and each district elects a presiding judge.[7] The Court of Appeals has no original jurisdiction except as authorized by Supreme Court rules to review directly final decisions of certain administrative agencies.[8] It has jurisdiction over all appeals not taken to the Supreme Court.

The judges of the Court of Appeals are selected in the same manner and serve the same terms as the Supreme Court justices.

TAX COURT

The Indiana Tax Court came into existence on July 1, 1986. The Tax Court is an appellate level court with one judge who is selected in the same manner as are judges of the Court of Appeals.[9] The Tax Court has exclusive jurisdiction in original tax appeals, which are defined as cases that arise under the tax laws of this state and which are initial appeals of a final determination made by (1) the Department of Revenue; or (2) the State Board of Tax Commissioners.[10] The principal office of the Tax Court is located in Indianapolis although a taxpayer may select to have all evidentiary hearings conducted in one of seven other specifically designated counties.

The Tax Court must also maintain a small claims docket for processing (1) claims for refunds from the Department of Revenue that do not exceed $5,000 for any year; and (2) appeals of final determination of assessed value made by the State Board of Tax Commissioners that do not exceed $15,000 for any year.[11] Appeals from the Tax Court are taken directly to the Supreme Court.[12]

The Indiana Constitution directs that the state be divided into several circuits by the

General Assembly.[13] Eighty-eight of a total of ninety-two counties constitute eighty-eight circuits, while the remaining four counties are in two "joint" circuits with two counties each.

The circuit courts are vested with unlimited trial jurisdiction in all cases, except when exclusive or concurrent jurisdiction is conferred upon other courts. They also have appellate jurisdiction over appeals from city and town courts.[14]

In twenty-two counties[15] the circuit court maintains small claims and minor offenses divisions. Civil actions in which the amount sought to be recovered is less than $3,000 and landlord and tenant actions in which the rent due at the time of the action does not exceed $3,000 may be filed on the small claims docket.[16] Class D felonies, all misdemeanors, infractions and ordinance violations are heard on the minor offenses docket.[17] Cases on the small claims docket are heard in a more informal atmosphere and without a jury.[18] In the remaining counties, the small claims docket and minor offenses docket have been established within either the superior or county court of the county.

The judges of the circuit courts (with the exception of the Vanderburgh Circuit Court where the judge is elected in a nonpartisan election)[19] are elected every six (6) years by the voters of each circuit.[20]

SUPERIOR COURTS

Superior courts are created by the General Assembly as local judicial needs change. Though their organization and jurisdiction may vary from county to county, for the most part, they are courts of general jurisdiction. They have the same appellate jurisdiction as circuit courts over appeals from city and town courts.[21]

As of December 31, 1993, there were one hundred fifty-one (151) superior courts with one of them being a joint court serving two counties.[22] In some of the counties, statutory language sets up one unified superior court with two or more judges, while others, through internal rules, operate their courts as unified county systems.

In counties which have superior courts but no county courts, the small claims and minor offenses divisions are established in the superior courts. These divisions have the same small claims and minor offenses dockets as the circuit courts.

With the exception of four counties, the superior court judges are elected at a general election for six-year terms.

In Lake[23] and St. Joseph counties, the superior court judges are nominated by a local nominating commission and then appointed by the Governor for six-year terms. Thereafter, they run on a "Yes — No" retention ballot. The judges of the Vanderburgh Superior Court are elected in non-partisan elections. In Allen County the superior court judges are elected at the general election on a separate ballot without party designation. Vacancies, however, are filled by the Governor from a list of three candidates nominated by the Allen County Judicial Nominating Commission.

PROBATE COURT
(St. Joseph County)

The St. Joseph Probate Court is the only distinct probate court left in Indiana. The court has one judge and has original jurisdiction in all matters pertaining to the probate of wills, appointment of guardians, assignees, executors, administrators and trustees, settlements of incompetents' estates and adoptions.[24] The court also has exclusive juvenile jurisdiction.[25]

The judge is selected by the voters of the county at a general election for a six-year term.

MUNICIPAL COURT
(Marion County)

The Marion County Municipal Court serves the city-county consolidation of Indianapolis-Marion. The court has sixteen judges,[26] fifteen of whom are trial judges, and one a presiding judge. It has concurrent jurisdiction in all Class D felonies, misdemeanors, infractions, and local ordinance violations. The court has jurisdiction to issue warrants upon probable cause for misdemeanors and felonies committed in the county and to conduct probable cause hearings, to determine sufficiency of recognizance and surety in felony cases and, upon probable cause determination, to bind such cases over to a court with felony jurisdiction. The court's civil jurisdiction is concurrent with the superior and circuit courts in all civil cases founded on contract or tort which do not exceed $30,000 and, irrespective of the value of property, in possessory actions between landlord and tenant.[27] The court also has jurisdiction (in the mental health division only) to declare and administer temporary guardianships in conjunction with mental health proceedings involving voluntary and involuntary mental commitments. Appeals from the municipal court are taken to the Court of Appeals.[28] The municipal court also has appellate jurisdiction in cases appealed from the Marion County Small Claims Courts.[29]

The judges of the Marion County Municipal Court, including the presiding judge, are nominated by a local nominating commission and then appointed by the Governor for a four-year term.[30]

COUNTY COURTS

The county courts began operating on January 1, 1976, when the justice of the peace courts went out of existence. Since their establishment, there has been a steady move toward restructuring county courts into superior courts with small claims/misdemeanor divisions. As of December 31, 1993, there were twenty-two (22) county courts.[31]

The county courts have original and concurrent jurisdiction in all civil cases founded in contract or tort where the damages do not exceed $10,000, possessory actions between landlord and tenant, all actions for the possession of property where the value of the property sought to be recovered does not exceed $10,000, Class D felonies, misdemeanor and infraction cases, and violations of local ordinances.[32] The county courts also have a small claims docket similar to that of the circuit court. Civil cases of up to $3,000 and possessory actions between landlord and tenant, in which the rent due at the time of the action does not exceed $3,000 are filed on the small claims docket.[33]

The county courts have been specifically precluded from exercising any jurisdiction over cases involving injunctive relief, partition of or liens on real estate, paternity, juvenile, probate, receivership or dissolution of marriage matters.[34] The county court may conduct preliminary hearings in felony cases.[35]

Appeals from the county courts, including their small claims dockets, go to the Indiana Court of Appeals in the same manner as appeals from the circuit and superior courts.

The county court judges are elected by the voters of the county or counties which the court serves for a six year term.[36]

CITY AND TOWN COURTS

City and town courts may be created by local ordinance.[37]

A city or town which establishes or abolishes its court must give notice to the Office of State Court Administration.[38] There are forty-eight(48) city courts and twenty-five(25) town courts.

Jurisdiction of city courts varies depending upon the size of the city. All city courts have jurisdiction of city ordinance violations, all misdemeanors and infractions.[39] The city courts have civil jurisdiction of cases where the amount of controversy does not exceed $500. They have no jurisdiction in actions for libel, slander, real estate foreclosure, where title to real estate is at issue, matters relating to decedents' estates, actions in equity and actions involving the appointment of guardians.[40] The civil jurisdiction of city courts in Lake County extends to cases where the amount in controversy does not exceed $3,000.[41] The city courts in Lake County also have extended criminal jurisdiction so that they may hear cases involving violations of all state statutes but can only impose a fine of up to $1,000 and a sentence of not more than one year.[42] A city court in a third class city which is not a county seat[43] has civil jurisdiction of cases involving up to $1,000.

City and town courts are not courts of record, and appeals are tried de novo in the circuit or superior court of the county.[44] The exception is Carmel City Court, which, is a court of record with appeals going directly to the Court of Appeals.[45]

Town courts have exclusive jurisdiction of all violations of town ordinances and jurisdiction of all misdemeanors and infractions.[46] Appeals from judgments of a town court are also taken to the circuit or superior court of the county.[47]

City and town court judges are elected for four-year terms by the voters of the city or town. The judges of the Carmel City Court, Gary City Court, East Chicago City Court, and Hammond City Court must be attorneys in good standing.[48]

SMALL CLAIMS COURTS
(Marion County)

The Marion County Small Claims Court has eight divisions based on township lines. The courts' trial jurisdiction is concurrent with the circuit, superior and municipal courts in all civil cases founded on contract or tort in which the claim does not exceed $6,000,[49] in actions for possession of property where the value of the property sought to be recovered does not exceed $6,000,[50] and in possessory actions between landlord and tenant in which the past due rent at the time of filing does not exceed $6,000.[51] The small claims courts have no jurisdiction in actions seeking injunctive relief or involving partition of real estate, or to declare or enforce any lien thereon (with certain exceptions), or in cases in which the appointment of a receiver is asked, or in suits for dissolution or annulment of marriage. The small claims court is not a court of record,[53] and the appeals are tried de novo in the Marion Municipal Court in accordance with rules established by such court.[54]

The small claims court judges are elected by the voters within the township in which the division of the court is located. The judges serve four-year terms.

Quarterly Case Status Report

On a quarterly basis, the trial courts of the state provide to the Division of State Court Administration caseload information by filing a standard form (Quarterly Case Status Report). This report contains information on the cases filed (including those that are received on a change of venue), disposed and pending at the beginning and end of the reporting period. This information is categorized by type of case based on classification which corresponds to a statewide case numbering system. The reports also show the method of disposition for each type of category. Other matters, such as number of days with judge pro tempore, number of special judge appointments, number of cases heard or disposed by masters, commissioners or referees, and the number of days the judge served in another county are also reported, but are not reflected in this report.

The Indiana Judicial Report is an annual compilation of the information submitted by the trial courts. Volume I contains a general overview of judicial activities and totals for the entire state. Volumes II and III present caseload information on a county-by-county basis with separate sub-totals for the courts of record and the other courts within the county. The case type designations have been abbreviated and correspond to case type designations used in a statewide uniform case numbering system.

As used in this Report, the following definitions apply:

1. CF - Criminal Felony: This category covers all cases filed as felonies. If a defendant is charged with both, a felony and misdemeanor, the case is counted one time under the most serious charge.
2. CM - Criminal Misdemeanor: This category covers those criminal cases which are filed as misdemeanors.
3. PC - Post Conviction Petitions: This category reflects petitions for post conviction relief filed under P.C. Rule 1.
4. MC - Miscellaneous Criminal: These are criminal matters which cannot be classified as a felony or misdemeanor but which require some degree of judicial scrutiny.
5. IF - Infractions: This category reflects all infraction cases. As with felonies and misdemeanors, when a defendant is charged with multiple offenses of varying severity, the case is reported one time in the category of the most serious offense.
6. OV/OE - Ordinance Violations: This category reflects those cases where a defendant is charged with violating a local ordinance.
7. JC - Juvenile CHINS: This category reflects those juvenile cases before the court where a child is alleged to be a child in need of services.
8. JD - Juvenile Delinquency: This category reflects cases before the court in which a child is alleged to be a delinquent.
9. JS - Juvenile Status: This category includes cases in which the child is charged with committing an act which would not be an offense if committed by an adult.
10. JP - Juvenile Paternity: This category reflects paternity actions filed by any of the parties specified by statute, including the prosecutor.
11. JM - Juvenile Miscellaneous: This cat-

egory is intended to include those juvenile matters which are not specifically listed in the previous three categories. An example in this category would be approval by the court of informal adjustments.

12. CP - Civil Plenary: This category is intended to cover the basic civil case not otherwise specifically listed on the form. It will generally include actions founded in contract, actions dealing with real and personal property, as well as actions seeking equitable or injunctive relief.

13. CT - Civil Tort: This category reflects civil cases founded in tort and filed on the regular civil docket of the court. Small claims, which could also be founded in tort, are not included in this category but are counted only in the "Small Claims" category.

14. SC - Small Claims: This category reflects the civil small claims filed on the small claims docket of the circuit, superior or county courts and civil cases in the Marion County Small Claims Courts.

15. DR - Domestic Relations: This category reflects actions involving dissolutions of marriage.

16. RS - Reciprocal Support: Actions for reciprocal enforcement of child support (URESA) are counted in this category.

17. MH - Mental Health: This category is intended to reflect proceedings involving mental health commitments. A proceeding seeking temporary commitment, an extension of temporary commitment, regular commitment or termination of a commitment would be reported in this category.

18. AD - Adoption: This category reflects the filing of petitions to adopt.

19. ES/UE - Estates: This category reflects those cases which involve the probate of estates, supervised and unsupervised. Claims against the estate which are transferred for trial are listed as "Civil" matters.

20. GU - Guardianship: This category is intended to reflect the number of guardianships before the court during the reporting period.

21. TR - Trusts: As with guardianships, this category reflects trusts which are before the court during the reporting period.

22. PO-Protective Orders: This category reflects new petitions for protective orders which are not part of an ongoing process.

23. MI - Miscellaneous: This category reflects routine civil matters which do not relate to any other pending litigation. This would include petitions for name change, appointment of appraisers, marriage waivers, tax warrants and petitions for temporary protective orders.

FISCAL INFORMATION

Pursuant to Indiana Code 33-2.1-7-3, the Division of State Court Administration is directed to collect and compile statistical data as to the receipt and expenditure of public moneys by and for the operation of the courts.

This portion of the report is intended to present a general financial overview of the expenditures of Indiana's courts and revenues generated through their operation. The financial information is gathered on an annual basis at the end of each calendar year. This is a manual data gathering system whereby each court prepares a form and forwards it, by mail, to the Division of State Court Administration. The reporting forms call for the court's requested and approved budget, the actual expenditures and the amounts collected by the clerk through the various fees and costs. This publication, however, reflects only the expenditure and revenue data; the requested and approved budgets are available, but are not published here.

EXPENDITURES

The Supreme Court, Court of Appeals and Tax Court are funded through appropriations from the state general fund. The Indiana State Auditor's Report contains information as to the expenditures by these courts and other state level expenditures on related functions.

Indiana's trial courts are funded through county funds. State funds pay for a portion of the judges' salaries[1] and for special judge expenses.[2] In addition, state matching funds are available to the counties as reimbursement for pauper defense expenses incurred in death penalty cases and expenses associated with guardian ad litem services for abused and neglected children. Often, courts receive grants and generate user fees, which fees are expended on court services. All such expenditures, regardless of their source, are reflected in this report. In some of the more populous counties, separate budgets are maintained for probation services, juvenile services and pauper defense services. These expenses have been included in the final totals. Expenditures on juvenile detention centers which are budgeted through the courts are also included. Expenditures which have not been included are those not directly related to the courts' operation, such as the prosecuting attorney's office and the clerk's office.

The city and town courts are funded by the respective municipalities. In many instances a distinct city or town court budget is not maintained, and all expenses are paid directly from the local general fund. This practice makes it difficult to provide accurate expenditure information on the city and town courts.

The Marion County Small Claims Courts are funded by the respective townships through budget appropriations.

REVENUES

Revenues generated through the operation of the trial courts are collected, accounted for and disbursed by the Clerk of the Circuit Court, an independently elected constitutional office. The Clerk of the Circuit Court also functions as the clerk of the county and, as such, performs many other functions not related to court operations.

Revenues are generated primarily from filing fees, costs, fines, and user fees assessed to the litigants. They are disbursed to either the state, county or local general fund or to a long list of special funds established by the Legislature for specific programs and services. In order to provide the information needed to fulfill this requirement, trial courts must invariably rely on the figures provided to them by the clerk's office which actually collects the moneys. As a result, the revenue reporting forms have been designed to correlate the fee collection reports used by the clerks. This is important as it underscores the nature of the data presented in this report and the fact that it is not intended as an actual accounting of receipts.

Revenues generated through the city, town and Marion Small Claims Courts are collected by the local clerk and disbursed pursuant to statutory provisions. The only direct payment fee in existence is the personal service of process fee charged to small claims litigants in the Marion County Small Claims Courts. This fee goes to the constable and his deputies.[3]

Following is an explanation of the costs and fees reflected in this report.

COURT COSTS AND OTHER FEES
In the Circuit, Superior, Probate, Municipal, County, City and Town Courts.

Upon the filing of a civil case, a guilty finding in a criminal case, or a judgment for an infraction or ordinance violation, the litigant is charged a specified court cost. In addition, the General Assembly has designated numerous other fees which could be charged under certain circumstances. Many of the added fees are so-called "user fees" which pay for defendants' enrollment in court or prosecutor sponsored programs. Following is a description of the costs and fees:

1. Court Costs In every case resulting in a felony or misdemeanor conviction, a fee of $110.00 is charged.[4] In each action which results in a judgment for a violation constituting an infraction or ordinance, the fee is $51.00.[5] In each juvenile action, the fee is $40.00.[6] In each civil action, the fee is $55.00.[7] The fee in small claims cases is $30.00 (except in Lake County City Courts where it is $22.00).[8] This does not include small claims cases filed in the Marion County Small Claims Courts. The fees in those courts are set out in IC 33-11.6-4-5.) The fee in probate and trust matters is $55.00. [9] These court costs include service of process by mail, unless service by sheriff is required.[10] Again, this is not the case in Marion County Small Claims Courts where an additional fee is charged for service of each matter.

2. Court Costs--State Portion: Of the total amount collected through court costs, the clerk of the circuit court distributes semi-annually to the state auditor for deposit in the state general fund, fifty percent (50%) of the amount collected.[11]

3. Court Costs--County Portion The county's share is forty-seven percent (47%) of the total collected from court costs; it is forwarded to the county auditor.[12]

If a county police pension fund has been established in the county, the sheriff may present a claim for each service of process and the county fiscal body will appropriate $12.00 for each claim.[13]

4. **Court Costs--City and Town Portion** Three percent (3%) of the collected fees is the qualified municipality share distributed to each city and town maintaining a law enforcement agency that prosecutes at least fifty percent (50%) of its ordinance violations in a circuit, superior, county or municipal court of the county.[14] The county auditor determines the amount to be distributed to each city and town based upon a specific formula; the funds are distributed semi-annually.[15]

5. **Court Costs in City and Town Courts** The court costs collected through the city and town courts are distributed as follows:

a. Fifty-five percent (55%) semi-annually to the state auditor for the state general fund;

b. Each month the city or town fiscal officer distributed fifteen percent (15%) of the fees to the county auditor as the county share and thirty percent (30%) is retained as the city or town share.[16]

6. **Special State Fund** In order to assure funding of the special programs and activities previously supported through fees collected from litigants, the law provides that twice a year the state auditor must transfer to the state treasurer $4,865,500 for deposit into eight specific funds pursuant to percentages set out in the statute.[17] Those funds are:

a. Family Violence and Victim Assistance Fund - 15.26%

b. Judges Retirement Fund - 7.3%

c. Law Enforcement Academy Building Fund - 4.83%

d. Law Enforcement Training Fund - 19.54%

e. Violent Crime Victims Compensation Fund - 12.48%

f. Motor Vehicles Highway Account - 37.12%

g. Fish and Wildlife Fund - 0.42%

h. Division of Addiction Services Account for administration, certification and support of alcohol and drug services programs - 3.05%

7. **Fines and Forfeitures** Fines and forfeitures assessed in criminal cases go to the State Common School Fund pursuant to a constitutional provision.[18]

8. **Infraction Judgments** This category reflects moneys collected as infraction judgments in cases involving infraction violations. (See also "Deferral Program Fee".) Infraction judgments go to the state general fund.

9. **Civil Penalties for Local Ordinance Violations** This category reflects amounts collected as judgments for local ordinance violations. They go to the respective municipality. (See also "Deferral Program Fee".)

10. **Vehicle License Fee** This category represents amounts collected as infraction judgments in overweight vehicle cases. These funds go to the State Highway Fund rather than the general fund.[19] (See also "Deferral Program Fee".)

11. **Support Fees** This category reflects a fee collected in actions in which a final court order requires a person to pay support or

maintenance payments through the clerk. The fee may be $10, $20, or $30 depending on when it is paid.[20] The fee goes to the county general fund.

12. **Bond Administration Fee** When a defendant executes a bail bond with the clerk, ten percent (10%) or $50.00, whichever is less, may be retained as the administrative fee which is reflected here.[21] These fees also go to the county general fund.

13. **Supplemental Public Defender Service Fee** When public funds have been expended on defense, the court must order the clerk to remit the difference, if any, and retain the rest, between the bond deposit and the cost of pauper defense. The retained amount is deposited in a Supplemental Public Defender Services Fund established by IC 33-9-11.5.[22] Any amounts collected under these provisions are reflected in the "Supplemental Public Defender Fee" category.

14. **Death Benefit Fund Fee** The clerk must also collect or retain $5.00 for each bond. This fee is remitted semi-annually to the Public Employees Retirement Fund for deposit in a special Death Benefit Fund.[23] The fund provides a $50,000 lump sum death benefit to the spouse or children of a public safety officer who dies in the line of duty. With the approval of the clerk, this fee may be collected by the county sheriff who remits it to the clerk. These fees are reflected in the "other" category. (This section expires 12/31/98.)

15. **Late Surrender Fees** When a bonded defendant fails to appear, a late surrender fee based on a percent of the value of the bond is assessed against the bondsman. Fifty percent (50%) of this fee is deposited in the Police Pension Trust Fund set up under IC 36-8-10-12 and fifty percent (50%) is deposited in a county extradition fund established under IC 35-33-14.[24]

16. **User Fees** The state, county, and local user fees categories reflect the total amount of user fees collected through the operation of the courts. There are a number of such fees collected in specific types of cases; they are designated for particular programs and purposes. The user fees are assessed against losing defendants in criminal cases or cases involving infraction and ordinance violations.

a. **User Fees reflected under State Level Funds** come from:

1. 50% of the ***Drug Abuse, Prosecution, Interdiction and Correction Fees*** collected by all courts; (part of the State User Fee Fund)
2. 50% of the ***Alcohol and Drug Countermeasures Fees*** collected by all courts; (part of the State User Fee Fund)
3. All ***Child Abuse Prevention Fees;***
4. All ***Domestic Violence Prevention and Treatment Fees.***

b. **User Fees reflected under County Level Funds** come from:

1. ***Prosecutorial Pretrial Diversion Program Fees*** collected in misdemeanor cases in the circuit, superior, county or municipal courts; (County User Fee Fund)
2. ***All Informal Adjustment Program Fees;*** (County User Fee Fund)

3. ***All Marijuana Eradication Program Fees***; (County User Fee Fund)
4. ***Alcohol and Drug Services Program Fees*** collected in cases in Circuit, Superior, County, or Municipal court; (County User Fee Fund)

8. 50% of the ***Drug Abuse, Prosecution, Interdiction and Correction Fees***; (County User Fee Fund)
9. 50% of the ***Alcohol and Drug Countermeasures Fees***. (County User Fee Fund)

c. User Fees reflected under Local Funds come from:

1. ***Prosecutorial Pretrial Diversion Program Fees*** charged in misdemeanor cases in the city or town courts; (City/Town User Fee Fund)
2. ***Alcohol and Drug Services Fees*** charged in cases in the city and town courts; (City/Town User Fee Fund)
3. ***Law Enforcement Continuing Education Program Fee*** charged in cases in the city and town courts; (City/Town User Fee Fund)
4. ***Prosecutorial Deferral Program Fee*** (for infractions). (City/Town User Fee Fund)

d. **Description of User Fees**

The user fees, once collected, are distributed in two different ways. The majority are deposited in "user fee funds" at either the county or city/town level, depending at which level they were collected. The particular program must then submit a claim, under oath, to the county or city/town fiscal body for the user fees generated for such program, and the fiscal body appropriates the claimed funds to the program from the "county user fee fund" or the "city/town user fee fund." User fees distributed to the county and city/town user fee funds are described below.

Since the reorganization of the user fee collection structure in 1987, the Legislature has added four additional user fees which are distributed differently.

Following are descriptions of the county and city user fees being deposited in the respective user fee funds.

*A **Marijuana Eradication Program Fee*** of no more than $300. It may be set by the court to be charged in criminal convictions under IC 35-48-4 (offenses relating to controlled substances) in a county where a weed control board has been established pursuant to IC 15-3-4.6-4.1.[25]

*An **Alcohol and Drug Services Fee*** may be collected in criminal, infraction and ordinance violations as set by the court pursuant to IC 12-23-14-16.[26]

*A **Law Enforcement Continuing Education Program Fee*** of $3.00 is collected in each criminal, infraction or ordinance violation.[27]

Prosecutorial Pretrial Diversion Program Fee The prosecuting attorney may withhold prosecution against a person charged with a misdemeanor if the person agrees to conditions of a pre-trial diversion program offered by the prosecutor as set out in IC 33-14-1-7. The accused is charged $50.00 as an initial fee and $10.00 for each month that the accused remains on pre-trial diversion. This fee is charged in lieu of court costs and fines (because the defendant's case is eventually dismissed).[28] The prosecutor can certify to the county fiscal body that the funds in the program exceeds its needs, and the county council may, by ordinance, appropriate the excess funds to the prosecutor's office for any purpose specified in the appropriation.[29]

An ***Informal Adjustment Program Fee*** of $5.00 to $15.00 may be ordered by the court to be paid in cases where a juvenile has been placed in an informal adjustment program prior to having a petition filed.[30]

Prosecutorial Deferral Program Fee — This additional user fee may be collected in infractions and ordinance violations instead of court costs and any infraction judgments when the county prosecutor or attorney for the municipal corporation sets up a deferral program for such cases.

Under such a program, the prosecutor or the attorney for the municipal corporation may offer a defendant in an infraction or ordinance violation action to enter into an agreement with the law enforcement official whereby the defendant agrees to pay an initial users fee of $50 and a monthly users fee of $10 and to comply with the conditions of the program. There are no statutory guidelines for the conditions or duration of such deferral programs, and, since infractions and ordinances are civil in nature and carry no time for incarceration, it is not clear how long a monthly users fee may be charged.

If the action involves a moving traffic violation, the defendants also pay $25.00 in court costs.

The clerk of a traffic violations bureau can accept a program agreement from a defendant. The court must dismiss the infraction or ordinance citation when the prosecutor or municipal attorney requests the dismissal of the deferred case.[31]

Alcohol Abuse Deterrent Program Fee or Medical Fee: The circuit court may establish an alcohol abuse deterrent program after the county fiscal body adopts a resolution approving the program. This applies to a circuit court that is not authorized to establish an alcohol and drug services program under IC 12-23-14-1 through IC 12-23-14-13 (that legislation expires December 31, 1996).[32]

The program applies to criminal proceedings in which the use or abuse of alcohol is a contributing factor or a material element of the offense. In such cases, the court may, with the consent of the defendant and the prosecutor, conditionally defer the proceeding for up to 4 years (with exception for certain repeat offenses) and may order the defendant to complete the program. The court must order the deferred defendant to pay a deterrent program fee of no more than $350 or a medical fee of no more than $100, or both, unless the defendant is indigent.[33]

The clerk collects the fee as set by the court. The Deterrent Program Fund is established by the county auditor; it is administered by the circuit court which submits claims for disbursement of the funds.[34]

e. **Additional User Fees** — In addition to the foregoing user fees designated for the general user fee funds of the county and city or town, the Legislature has imposed the following user fees:

> ***Drug Abuse, Prosecution, Interdiction and Correction Fee***: (50% to state and 50% to county) The court must assess this fee of at least $200 and not more than $1,000 against a person convicted in any court (including city and town courts) of an offense under IC 35-48-4 (controlled substance). In determining the amount of the fee, the court must consider the person's ability to pay. The clerk collects this fee and distributes, semi-annually, 50% to the state auditor for the State User Fee Fund established under IC 33-19-9-2 and 50% to the county auditor for the County Drug Free Community Fund established under IC 5-2-11.[36]
>
> ***Alcohol and Drug Countermeasures Fee***: In each action in which a person is found to have committed an offense or violation of a statute defined as an infraction under IC 9-30-5 (DUI), or a person who has been adjudicated a delinquent for an act that would be an offense under IC 9-30-5 if committed by an adult, and the person's driving privileges are suspended, the clerk shall collect an Alcohol and Drug Countermeasures fee of $200.[37] The clerk distributes 50% of these fees to the state auditor for deposit in the State User Fee Fund established under IC 33-19-9-2 and 50% to the county auditor for deposit in the County Drug Free Community Fund established under IC 5-2-11.[38]
>
> ***Child Abuse Prevention Fee***: This $50 fee is assessed against a defendant who is found guilty of certain criminal offenses against the person or offenses involving child molestation and neglect when the victim is less than 18 years of age.[39] This fee is distributed to the state auditor for deposit in the Family Violence Victim Assistance Fund established under IC 12-3-27-1.[40]
>
> ***Domestic Violence Prevention and Treatment Fee***: This $50 fee is charged in each criminal action in which the defendant is found guilty of murder, causing suicide, volun-

tary manslaughter, reckless homicide, battery and rape against his or her spouse.[41] This fee is also forwarded to the state auditor who deposits it into the Family Violence Victim Assistance Fund established under IC 12-3-27-1.[42]

f. **Distribution of State User Fee Fund** The ***State User Fee Fund*** is distributed by the State Treasurer as follows:

$175,000 to the Alcohol and Drug Countermeasures Fund established under IC 9-27-2-11 and administered by the Office of Traffic Safety within the Indiana Department of Transportation; at least 60% of this fund must be used to supplement law enforcement agencies in their efforts to apprehend intoxicated drivers.

$100,000 to the Drug Interdiction Fund established under IC 10-1-8 and administered and used by the State Police.

$50,000 to the Drug Prosecution Fund established under IC 33-14-8-5. The fund is administered by the Prosecuting Attorneys Council which may use the money to assist prosecuting attorneys obtain training, equipment, and technical assistance to investigate and prosecute.

$62,500 into the Corrections Drug Abuse Fund established under IC 11-8-2-11 administered by the Indiana Department of Correction to provide drug abuse therapy.

Any remaining amounts are deposited in the State Free Communities Fund established by IC 5-2-10 and administered by the State Treasurer.[43] Application for grants from this fund may be made to the Indiana Criminal Justice Institute for approval by a commission designated by the Governor.

17. **Guardian Ad Litem or Special Advocate Fees**: The trial court may order the parent or estate of a child for whom a guardian ad litem or a special advocate is appointed to pay up to $100 for the service. The money is to be deposited in a designated fund and used for providing these services.[44]

18. **Adult Probation User's Fee**: This category reflects user fees charged to adults placed on probation after a conviction of a felony or misdemeanor. In felony cases the fee is mandatory; it ranges between $25 and $100 as an initial fee and between $5 and $15 as a monthly user's fee for each month the person remains on probation.[45] In misdemeanor cases, the probation user's fee is optional with the court. If imposed, the initial fee cannot exceed $50 and the monthly fee cannot exceed $10. The fees are deposited in a county adult probation services fund which is used for probation services.

19. **Juvenile Probation User's Fee**: A court may order a juvenile and/or the parent of a juvenile who is placed on supervision to pay an initial user's fee of $25 to $100 and a monthly user's fee of $5 to $15. These fees are deposited with a Probation Services Supplemental Juvenile Fund and are used for the specifically designated purpose.[46]

20. **Document Fee**: This category reflects fees collected by the clerk for copying and preparing documents.[47]

21. **Highway Work Zone Fee**: Effective July 1, 1992, a $.50 highway work zone fee is to be charged in each traffic offense as defined in IC 9-30-3-5. (This includes traffic infractions, misdemeanors and ordinance violations). If the offense involves exceeding a worksite speed limit as provided in IC 9-21-5-11, the fee is $25.50. This fee is designated for the Highway Department to pay for the cost of hiring off-duty police as guards at such work zones.[48]

22. **Interest on Investment**: This category reflects income generated through deposits of various funds.

COURT COSTS AND OTHER FEES IN THE MARION COUNTY SMALL CLAIMS COURTS

The revenues generated by the Marion County Small Claims Courts are also reflected in this report. The Legislature has provided fee structure for these eight courts which differs substantially from the rest of the courts in the state.

The cost of filing a small claim in the small claims docket of the Circuit, Superior or County Court is$30.00.[49] This fee covers service of process by registered mail and all proceedings supplemental. Personal service and service by publication is available if necessary for additional costs.

The filing fee in the Marion Small Claims Court is $27.50, but there are additional costs for service of process and redocketed cases.[50] An additional fee of $5.00 is charged for each proceeding supplemental. The filing fee and the proceeding supplemental fee go to and are used by the township.

A separate service of process fee is collected in addition to the filing fee. It is $6.00 for service of process by registered mail and $8.00 personal service. The personal service fee for a writ or restitution and writ of replevin is $12.00. All service of process fees go directly to the constables. They are reflected in this report as funds going "To Others".

This volume of the Indiana Judicial Report reflects caseload and fiscal information for every court in Indiana with sub-totals for each county. This includes data on the number and type of cases filed, disposed and pending in each court. It also reflects the amount of funds expended for the operation of each court and the amounts generated by virtue of the operation of the court. A roster of the number and type of court employees in every court is also reported here.

For state-wide totals, a discussion of the reported item and a description of the judicial system, the reader should refer to Volume I. Volume III contains data which further defines the way cases are disposed.
